AstralPool

SOLO ECHO

SALT CHLORINATORS

The *brain* of your pool.

AstralPool

Smarter pool care, made *simple*.

Designed and made in Australia for local pool conditions, the AstralPool Solo™ and AstralPool Echo™ are the perfect addition to a new pool build or upgrading your current chlorinator.

Both models combine smart, easy-to-use control with reliable engineering, helping you enjoy everyday pool performance you can count on.

Connect to the Fluidra Pool app to access key pool information and manage compatible equipment from the comfort of your phone.

Now available for download from the Apple App Store and Google Play Store.

ASTRALPOOL
ECHO

One *pool.* One *ecosystem.*

Choose the right model for your pool.

AstralPool

SOLO™

Designed to support a *seamless* pool experience.

Designed for pool owners who want easy, modern pool control. For new pools, it provides a strong foundation for everyday operation. For existing pools, it offers a smart upgrade from standard entry level chlorinators.

AstralPool

ECHO™

Giving your pool *smarter* control.

Offers greater flexibility for pools that need more connected equipment control. It helps simplify pool management by bringing key equipment functions into one easy-to-use system.
