## DAZZLING COLOURS

With 7 standard colours to choose from, the FLX Lights can be matched to give the perfect enhancement to your pool at night. With 3 Colour Transition Modes, (Smooth, Fade and Disco) pool parties are elevated to the next level.

## BRIGHTNESS CONTROL

We have even thought to add 3 brightness levels so not only can you select the right Colour or Mode for your surrounds, you can even choose the right level of output as well

## SLIM DESIGN

The slim profile allows for minimum intrusion into the pool maintaining the sleek modern look of today's pools and the one piece moulding prevents any water ingress. .
