Smart Mode: Adaptive trajectories, Powerful Suction

The new F1 SONIC PRO pool cleaning robot boasts adaptive trajectory technology and powerful suction power, thanks to **advanced algorithms and ultrasonic sensors.** Equipped with **state-of-the-art vacuum technology** capable of vacuuming up to **15,000 GPH**, it adapts its suction power according to the amount of debris in the pool, therefore optimizing its battery charge.

Superior Filtration

The F1 SONIC PRO's **double filtration system** including a high-tech filter and a fine filter, ensures impeccable water clarity and is designed to handle a wide range of debris. The basket features a **flap system** that prevents debris from escaping as the robot is lifted from the pool.

Cleaning the filters is a breeze: simply lift them out from the top of the robot and rinse off.

SmartPark Retrieval System

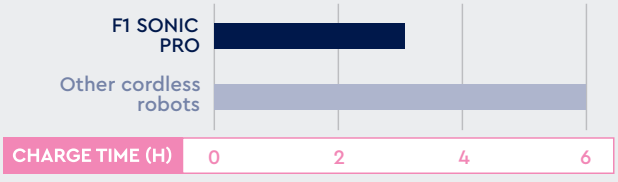

Benefit from hassle-free robot retrieval with the **SmartPark** function. Thanks to an ultrasonic sensor, the F1 SONIC PRO parks itself by a pool wall at the end of each cleaning cycle. With the included hook, you can easily lift the robot out of the water.

BWT ECO Product Lifetime Program

The F1 SONIC PRO is designed for long-term use as part of the BWT ECO Product Lifetime Program. With its **replaceable battery**, you can easily extend the life of your robot, aligning with BWT's "For You and Planet Blue" initiative. This eco-friendly design reduces waste and ensures your pool stays clean while **supporting a sustainable future.**

Quick Charge Technology

The F1 SONIC PRO is designed to get back to work faster than ever. Thanks to advanced **Quick Charge Technology,** the powerful F1 SONIC PRO fully charges in just 2.5 hours —significantly faster than the competition. With one charge, you will get up to 4 hours of cleaning.

PRODUCT ADVANTAGES QUICK VIEW

- **Cordless. No messy cables**
- **Quick charge in 2.5 hours**
- **Up to 4hrs of cleaning with one charge**
- **Turbo mode**
- **ECO Mode**
- **Clear filter with double filtration**

Included equipment:

- **4.8L Nestable filters**
- **2 PVC brushes**
- **Universal retrieval hook** (pool pole not included)
- **Quick charger**
